

Evolution MotorSports (“EVOMS”) Performance Products Limited Warranty Statement

Purchasing and installing a performance product is only step one in tuning a car. Backing the product with confidence in the performance of the product and the commitment to assist in resolving any issues that may arise is what makes the upgrade complete. Our limited warranty is intended to cover EVOMS products when they are used in the manner for which they were originally designed. EVOMS is not responsible for any misuse, improper installation, misapplication, modification or neglect of the EVOMS product, and such actions will void its limited warranty.

Please familiarize yourself with the EVOMS limited warranty prior to the purchase of any EVOMS product. Should you have any questions regarding the limited warranty, please do not hesitate to contact us at (480) 317-9911 or info@evoms.com.

Cars Covered by the Original Vehicle Manufacturer’s New Car Limited Warranty

US Specification Vehicles Only

If your vehicle is currently covered by the vehicle manufacturer’s new car limited warranty, EVOMS products are warranted for 1 year or 12,000 miles or the remaining term of the vehicle manufacturer’s new car limited warranty, whichever is longer. The manufacturer’s new car warranty is limited to 3 years or 36,000 miles, commencing on the date of first retail sale or the date the vehicle is first placed in-service as a demonstrator or company vehicle, whichever is earlier. EVOMS’s warranties are not transferable when ownership of the vehicle into which the EVOMS products were originally installed is sold. The EVOMS warranty only applies to the original purchaser of the product. Second-hand products are not covered by the EVOMS warranty.

Should you need service under this warranty, the vehicle must be brought immediately upon discovery of a malfunction or defect in materials and/or workmanship to the workshop of any **Authorized EVOMS Warranty Servicing Dealer** during normal business hours. Proof of purchase in the form of a lawful invoice is required. The Authorized EVOMS Dealer will, without charge for parts or labor, repair or replace the defective EVOMS component(s) using new or authorized remanufactured parts. The decision to repair or replace said parts is at the **sole** discretion of EVOMS. Parts for which replacements are supplied under this limited warranty become the property of EVOMS. In all cases, a reasonable period of time must be allowed for warranty repairs to be completed after the vehicle is delivered to the Authorized EVOMS Warranty Servicing Dealer.
